**In consideration for the agreement of LANG BRANDS to review my art and/or new product idea submission, I, \_\_\_\_\_, agree to and acknowledge the following:**

1. I understand LANG BRANDS caution in permitting me to disclose my ideas, suggestions, inventions, designs, sketches, models or other materials (collectively "IDEAS") because LANG BRANDS has developed or has had suggested to it many IDEAS for products, and there is the possibility that some of such IDEAS are the same as or similar to those which I might disclose to LANG BRANDS
2. My disclosure to LANG BRANDS is purely voluntary.
3. Although LANG BRANDS intends to deal with me fairly in connection with my disclosure, my submission of IDEAS to LANG BRANDS is NOT made in confidence, and does not create any confidential relationship (express, assumed, implied or otherwise) with LANG BRANDS
4. LANG BRANDS is not undertaking any kind of obligation (express, assumed, implied or otherwise) by accepting and reviewing this disclosure, and I understand that no obligation is assumed by LANG BRANDS unless and until a formal written contract is agreed to and entered in to, and then LANG BRANDS obligation shall be only that which is expressly stated in the formal written contract.
5. LANG BRANDS willingness to review these ideas is not an admission by LANG BRANDS of novelty, priority, originality and does not impair LANG BRANDS right to contest existing or future patents or copyrights relating to the IDEAS.
6. I represent and warrant that I have the right to disclose the IDEAS and to make this agreement.
7. LANG BRANDS cannot and will not be bound in any manner by IDEAS of a general nature which are not in such form when disclosed that they can be protected under the patent or copyright statutes of the United States. I therefore agree that LANG BRANDS will assume no liability in reviewing the IDEAS, and I hereby release LANG BRANDS from liability in connection with such receipt and disclosure, except as to liability that may accrue under any valid intellectual property rights that I now or hereafter own or control.
8. LANG BRANDS will give my submission only such consideration as it merits in LANG BRANDS sole judgment.
9. The foregoing terms and conditions shall apply to any further information or materials that I elect to submit.
